

How to invite people to join your team

To easily recruit team members to join you for the walk log into the Mission Center and use the “Join My Team” template to send out emails to your friends, family, co-workers, and social networks.

To access the online tools select the Mission Center Login.

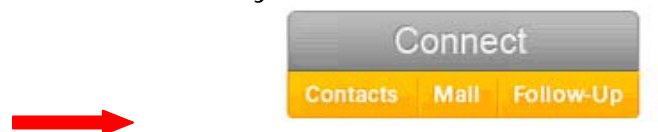

1. To access the online tools select the Mission Center Login from your Walk homepage.
2. LOGIN to your Mission Center.

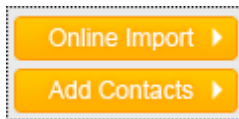

3. The Connect tab on the Mission Center page has a “Join My Team” email template to send to friends, family and/or coworkers to join you for the walk.

4. Select “Contacts” to add your contact information.

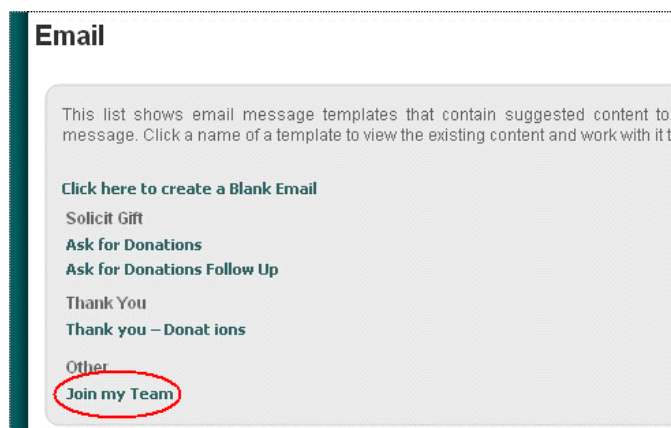

- i. The information in your Address Book is private. It will not be used unsolicited and will not be sold to a 3rd party. You may either import your contact information or add contacts individually.

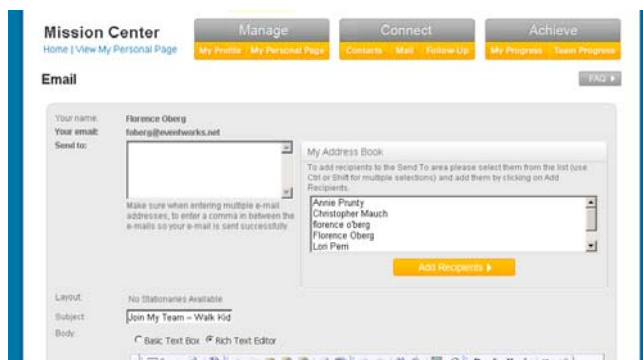

5. Select the "Mail" tab to view a list of email templates.

6. Select the "Join My Team" template.

7. Select recipients from the My Address Book list.

8. Complete the "Your name" and "Your email" fields.

9. Select the layout

10. Complete the "Subject" line.

11. Select either Basic Text or Rich Text

12. Insert the details of your local walk (date and location).

Walk KidneyWise LA is scheduled for Sunday, March 7th, I would love for you to join my fundraising team and we will work together to raise \$1,000 to ensure KidneyWise can continue to chart the path to a cure.

13. Edit
14. Send email.
15. A link to your page will be automatically added to the bottom of our message.

Dear Friends and Family,

I have committed to Walk Kidney Wise and help end chronic kidney disease! Will you join me?

Chronic Kidney Disease (CKD) affects 50 million Americans - 1.6 million in Los Angeles County alone. KidneyWise is committed to stopping kidney disease in its tracks and I want to help! Their mission – empower people to live KidneyWise today and prevent kidney disease tomorrow through education, community involvement and research.

I have put together a team to participate in Walk Kidney Wise, LA County on March 7th at Ocean View Park in Santa Monica. Proceeds from the walk benefit KidneyWise programs and research aimed at stemming the tide of chronic kidney disease in the US.

I would love for you to join my team! You could also ask your friends, family members and co-workers to sign up or donate today! We will have a great time and make a real change in the CKD chain!

Thank you for your consideration!

[Go to my Personal Page](#)

16. The Go to my Personal Page link takes them to your personal page, where they can select either "Support Me" or "My Team". Selecting "My Team" takes them to your team page where they can select either "Join My Team" or "Support My Team".

◆Team Message Board

- Write a special message of encouragement for your team! Members of your team will see your message when they log into the Participant Center.
- Access the Team Message Board from the Mission Center Home Page. The Message Board is found in the lower right hand section of the Mission Center Home Page.
